

NUPE Coaches STEELERS To SUPER BOWL VICTORY

Brother Mike Tomlin, a Spring 1991 initiate of Eta Omega Chapter and charter member of Xi Theta Chapter, became the youngest head coach to lead his team to a Super Bowl, when the Pittsburgh Steelers took the field in Tampa Bay, Florida on February 1st, 2009. "Not only is Brother Tomlin the youngest head coach to appear in the Super Bowl; but, he is the fourth youngest head coach of any major professional sport, suggesting that youth has nothing to do with experience or ability," Grand Polemarch Dwayne M. Murray said.
